Finding the App

The IBS 2025 app is available for download on *android and **iOS tablets and smartphones.

To find the 2025 NAHB International Builders' Show app, you can go to www.buildersshow.com/app from your device, click on the appropriate app store link, and you will be taken directly into the store to download it.

You can also search “**IBS 2025**” in your device’s app store. Please note you must capitalize “IBS” when you search for the app.

Upon download completion, you should see the IBS 2025 app icon.

NOTE for iOS users: If you have previously downloaded the IBS 2024 app, the IBS 2025 app will appear as an update.

NOTE for Android users: The app will not update in place, so if you have previously downloaded the IBS 2024 app, you will need to download the new 2025 version.

If the app icon looks different than what is shown above, then you have downloaded the wrong app. Please proceed back to the app store and re-enter “IBS 2025” in the app store search bar.

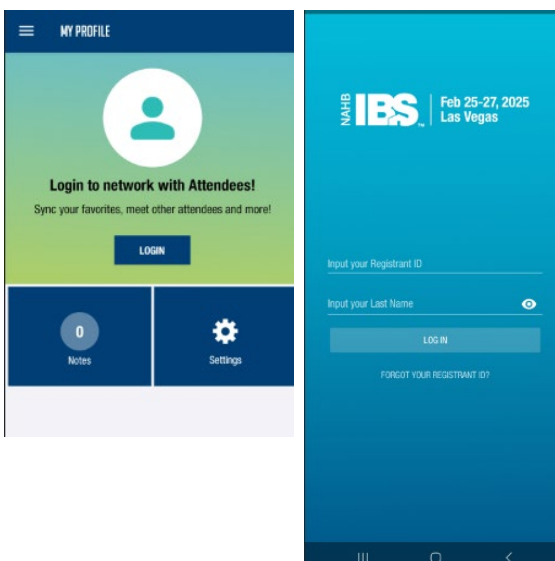

***Android users: Requires Android 11 & up**

****iOS users: Requires iOS 15.0 or later**

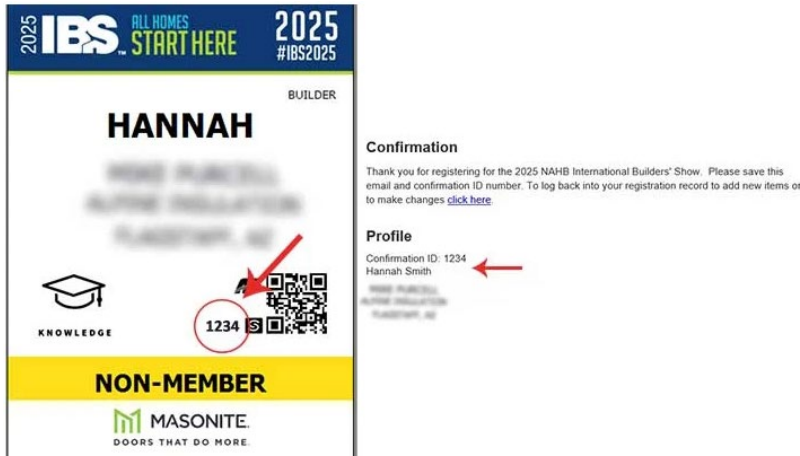

Logging in

Log in to get personalized content and to *connect with attendees. To log in to the app, choose “**My Profile**” from the main navigation. You will be prompted to log in to the app.

Enter your registrant ID and your last name.

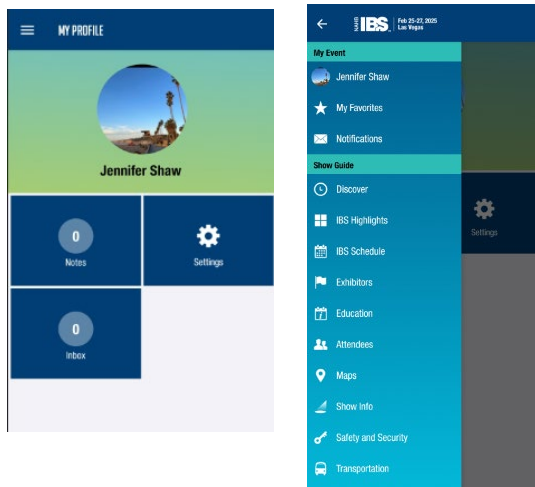

You can **find your registrant ID** on your registration confirmation email or on your badge (see screenshot below).

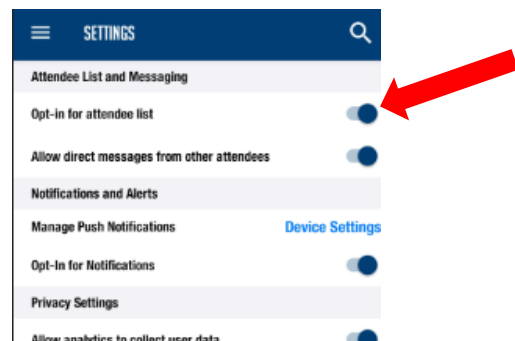

You should then see your name on the profile screen and in the navigation.

NOTE for iOS users: If you were previously logged into the 2024 app, please make sure you log out and then log back in with your 2025 credentials. If you are still unable to log in to the 2025 app, uninstall it and reinstall.

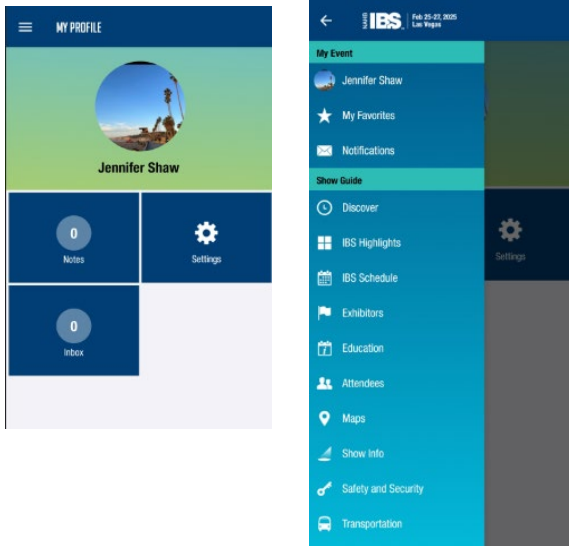

*To connect with other attendees, go to “Settings and opt in for attendee list.

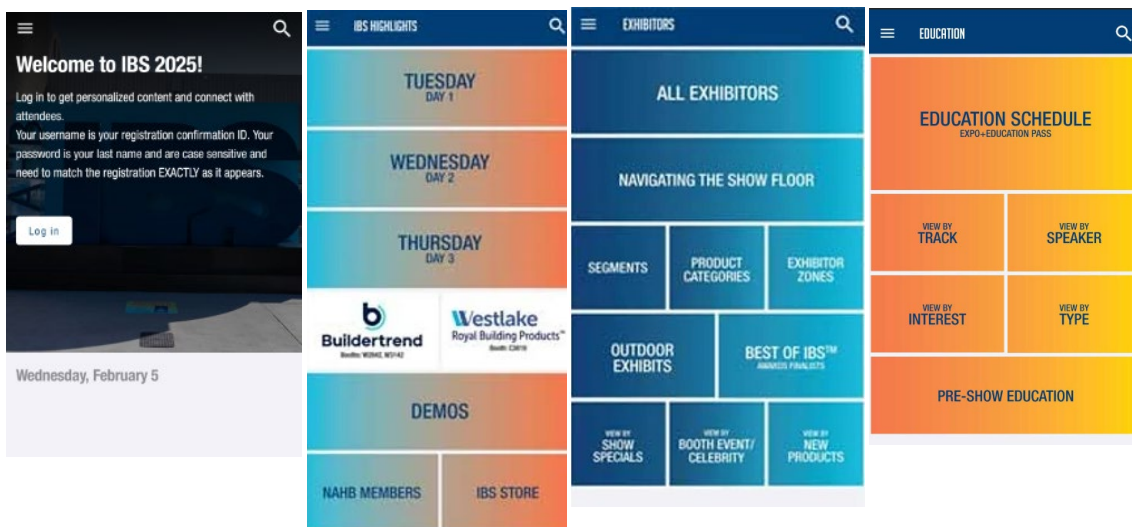

Getting Started

Access the main menu by tapping the upper left icon (the three lines). A menu will pop out on the left side.

Main Information Screens

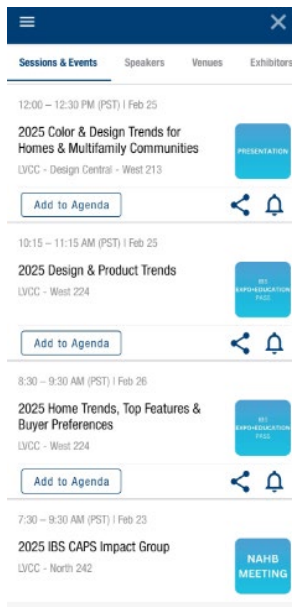

IBS Schedule

Here you can see a day-by-day list of everything that is happening at the show – pre-show courses, meetings, education sessions and events.

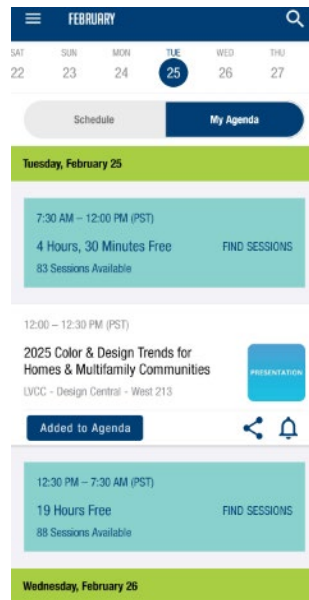

If you'd like to add a meeting or event to your agenda, tap the “Add to Agenda” button on the left next to the meeting/event. You can also do this inside the meeting details page.

Once you have tapped the button, it will appear under “My Agenda”. Tapping into an event will open the event details page. Here you can see the event location, description, speakers, date and time.

BACK FOR IBS 2025! Segmentation

The 2025 IBS exhibit halls will once again be divided into six categories, making it easier for you to navigate the exhibit floor, save time and find the products and services you’re looking for at the show.

Navigating the Show Floor

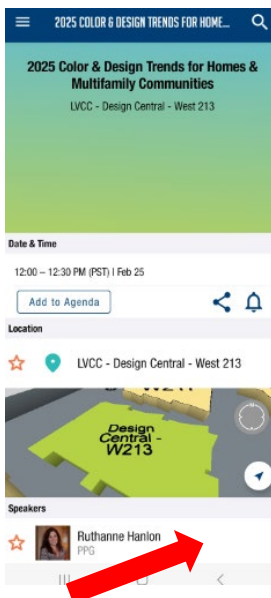

Spanning 720,000+ square feet, this year's show features more than 1,800 exhibitors from all over the world. The best way to navigate the show floor is the interactive map. The map is color coded by the new IBS segmented layout, introduced at the 2024 show, with exhibitors grouped together by product and service categories.

You can route between locations by searching for the meeting, event, or exhibitor and tapping the navigation button. Tap "tap to edit" to bring up a list of locations and select your starting point. Once you select the starting location, in the lower left you will see how long it will take to get to the destination. Tap "navigate" and follow the routing instructions.

See example below - routing to Design Central, located in room West 213.

Other ways to Find Items in the App

Under the main navigation menu:

1. You can find a daily “What’s happening” and info on marquee events under **“IBS Highlights”**.
2. You can browse IBS Education sessions under **“Education”** and view them by several different filters. You’ll also find information about pre-show courses here and IBS Speakers.
3. You can find out what’s going on in the different IBS Centrals and other communities under **“Communities & Centrals”**.
4. You can find NAHB committee meetings and board meeting information under **“NAHB Mtgs & Info”**.

If you are looking for something specific, **use the search bar** to find meetings, events, education, speakers or exhibitors by name. Tap the **Search Icon** (the magnifying glass) in the upper right corner from anywhere in the app and type in all or part of the name to find your meeting, then review the search results and select the meeting:

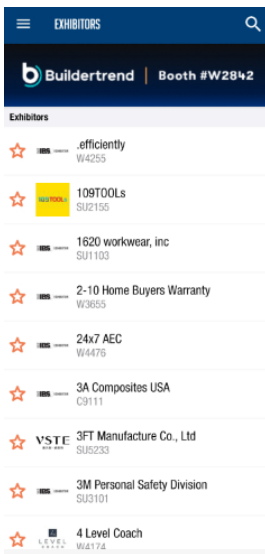

Adding to Your Favorites & Agenda

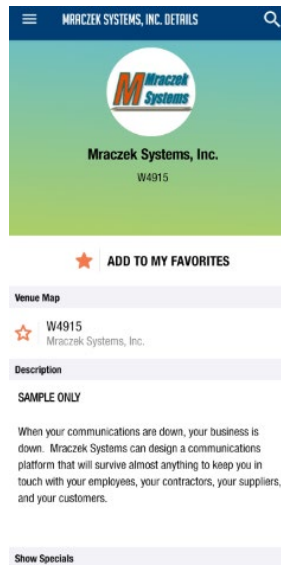

As previously mentioned in the IBS Schedule section, to add a meeting, event or session to your agenda, tap the “Add to Agenda” button. It will appear under **“My Agenda”** under **IBS Schedule**.

To add a speaker or exhibitor to your favorites, click the star next to the speaker or exhibitor. Once you have favorited a speaker or exhibitor, it will appear under **“My Favorites”** (located on the main menu).
