
The Exhibitor Portal is your hub for IBS 2024

The IBS exhibitor portal is the hub for critical information and other resources that will help you have a more successful show. [Start by logging in to the exhibitor portal](#) to confirm you have access. In August, the link to order services from Freeman (the IBS general services contractor) and other official contractors will become available. Additional information, tasks, deadlines and tools will be posted throughout the year. Don't worry – we will remind you frequently to visit your portal. If you have any trouble logging in, feel free to contact our Exhibitor Service Department at 202-266-8109 or email us at ExpoSales@nahb.org.

Tell us your primary reason for exhibiting at IBS

Help us streamline communications and better assist you with opportunities to maximize your IBS experience. Log in to the [exhibitor portal](#), and click on the first task to tell us your primary reason for exhibiting at IBS. This allows us to tailor our messaging based on what matters the most to you.

Be aware of unauthorized IBS hotel solicitors

You may have received an email from American Booking Services last week referencing hotel rates for IBS 2024. NAHB has no affiliation with American Booking Services.

Maritz is NAHB's official housing company. We will reach out to you in mid-July with more details on how to book hotel rooms through Maritz.

Sponsorship and advertising updates

Want to renew your IBS sponsorship/advertising? We'll be contacting 2023 IBS sponsors and advertisers soon to offer renewals for the 2024 show.

The **updated 2024 IBS Sponsorship & Advertising Online Media kit** will be live on BuildersShow.com/promotions in early-July. Keep an eye out for updates.

Need meeting space at the Las Vegas Convention Center during IBS 2024? Contact your IBS sponsorship & advertising representative to get on the list for rooms—we'll start leasing rooms this month and spaces are limited.

We're making it easier for you to get in front of the right audience. With more than 132,000 members who build 80% of all new homes in the United States, NAHB offers unparalleled access to different segments and audiences within the residential construction industry. [Tell us which areas interest you](#), and we will help you get in front of the right audience.
