

Feb 17-19, 2026
Orlando, FL

LEVEL-UP YOUR LEARNING BEFORE IBS

Enhance your expertise and start strong before the **2026 NAHB International Builders' Show®** even begins with pre-show learning opportunities.

NAHB COURSES*

With 18 one-day, pre-show NAHB Courses, **Feb 14 – 16**, dive into high-demand industry topics and earn NAHB CEUs. NAHB Courses cover everything from digital marketing to project management, aging-in-place design, land development, financial management and more.

BUILDING SCIENCE SYMPOSIUM*

This full-day powerhouse event on **Feb 16** puts you in the room with top high performance builders who are applying building science techniques to their projects daily. Expect actionable strategies, proven building science techniques and insider insights you won't get anywhere else — all in a collaborative, small-group setting.

PLUS, get FREE access to 1,700+ IBS Exhibitors, live demos and more on the IBS 2026 show floor! Attend the Builders' Show with a **FREE IBS Expo Pass**** when you register to attend an NAHB Course or the Building Science Symposium. Continue your industry learning throughout the show by upgrading to an Expo+Education Pass.
