

The **NAHB International Builders' Show®** (IBS) is the largest annual light construction show in the world, welcoming tens of thousands of industry professionals from around the globe.

IBS features top industry suppliers and manufacturers showcasing the latest products, technologies and materials for all types of building — including wood, concrete, stone and brick.

The Builders' Show is part of Design & Construction Week® (DCW) and is co-located with the National Kitchen & Bath Association's Kitchen & Bath Industry Show® (KBIS). Registered attendees get access to the IBS and KBIS exhibit floors!

SHOW HIGHLIGHTS

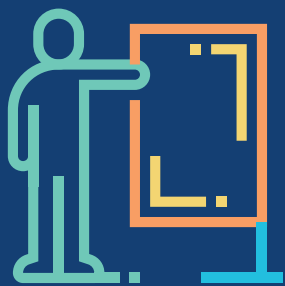

- Explore the exhibits, IBS zones & pavilions to see **new products, technologies & demonstrations**
- Discover **strategies & innovative solutions** from industry experts
- **Connect with professionals from around the world** & form new business partnerships
- Attend the **NAHB Global Home Building Symposium** to learn how to enter and be successful in the U.S. housing market.
- Tour **The New American Home®** & **The New American Remodel®**
